### LAND CHARGES DEPARTMENT

The Land Charges department of the Land Registry, located in Plymouth, maintains an index of property owner's names, recorded against the respective property's registered title number. The list is compiled from the records

of each of the Land Registry offices located throughout England and Wales.

### OWNERSHIP LISTS

A search in Form PN1 of this index produces a list of title numbers set against the name of the registered proprietor (the owner) and the name of the Land Registry office dealing with the title.
